

# VŨ HỒNG LĨNH

INTERN FRONTEND

🏠 18/07/2001

✉ vulinh18072k1@gmail.com

📍 Nam Tu Liem, Ha Noi

☎ 0393915663

🌐 <https://github.com/vuhonglinh>

## OBJECTIVE

Short-term: To enhance my Frontend skills by actively contributing to real-world projects, learning best practices, and collaborating with experienced developers. I aim to complete assigned tasks efficiently and with high quality.  
Long-term: To become a proficient Frontend developer specializing in ReactJS, capable of leading significant projects, designing robust applications, and mentoring new interns. I aspire to continuously improve my skills and stay updated with the latest industry trends.

## WORK EXPERIENCE

**Intern PHP, Laravel** 01/03/2024 - 01/07/2024  
*HTA High Technology Access Solution Joint Stock Company*

Helped build e-commerce websites using PHP and Laravel to create strong and scalable solutions.

Worked with a diverse team to customize and set up ERP and CRM software to meet the specific needs of business clients.

Added important features like user login, product catalog management, order processing, and integration with third-party payment systems.

Took part in code reviews, debugging, and knowledge-sharing activities to promote continuous improvement and learning within the team.

## PROJECTS

**Tailor shop manager** 05/2024 - 07/2024

**Link website:** <https://maydo.gthai.click>
